Description

Basically you will need a binder to fill with coupons. Try to purchase one that zips since you don't want coupons falling out. Then use clear pocket sleeves to organize them by category (use baseball card pockets to organize coupons themselves). And to make organization even easier you can download Planners 4 Life Free Printable Coupon Binder Insert Pages!

This free download contains 24 pages with different categories including 3 blank pages in which you can write down your own categories. The file is in PDF format so all you have to do is download it to your computer and print! Hope you all enjoy it! :)

Coupon Binder Supply List

- Heavy-Duty 3 Ring Binder
- 4 sets of Plastic Dividers 8 count
(I highly encourage you to spend the extra money to get plastic instead of paper ...it will be well worth it!)
- Baseball Card Sleeves to hold your coupons
(If you are a newbie couponer, you may only want to purchase 18-20 sleeves initially and then add more as your coupon supply grows)
- Scissors – Every couponer needs these! ;)

You can see a sampling of the interior pages on our Pinterest site [@ Printable Coupon Binder Inserts](#)
